Bellevue State Park Interpretive Questionnaire

The Iowa Department of Natural Resources is undertaking an interpretive planning process that will help identify the best ways visitors can connect with the natural, cultural, and historical resources at Bellevue State Park. This planning process will result in more opportunities for education and recreation in the park. Please complete this questionnaire to provide your input and return it to: Bellevue State Park, 24668 Hwy. 52, Bellevue, IA 52031. Thank you for your participation in this important process.

(1) What do you feel is the most outstanding feature of Bellevue State Park?

(2) How should this feature of the park be explained to, or interpreted for, visitors?

(3) What is your vision for Bellevue State Park in the next 5-10 years?

(4) What improvements can the park make to achieve this vision?

(5) How do you use the park?
